## **HEALTH & SAFETY**

Camp Gan Israel is fully licensed as a youth camp by the State of Connecticut Department of Health. Certified lifeguards (in addition to counselors), supervise swimming.

On trips we have a head count system, and use only licensed school buses. Every child must wear a camp t-shirt and will receive a band with camp's info to wear during the trip. In case of a medical emergency, G-d forbid, parents or guardians (as well as the doctor listed on the child's form) will be contacted immediately.

**Visitors:** No visitors are allowed in the building.

Electronic games, cell phones, or other computerized devices are **not allowed** at camp. Do not allow your child to bring any dangerous objects or valuables to camp, as we will not be held responsible for any lost or stolen items. Always check with for lost and found.

**Kim Brandmeyer** is our first aid director. She is certified in the administration of first aid by the Red Cross and has CPR certification. In addition, several of our staff members have these qualifications as well. Please be aware of the following State regulations:

**Medical Form:** All health forms MUST be signed by a physician and a parent or guardian, and MUST be on record with camp administration **before** your child begins camp.

**Trips and Waivers:** All forms must be submitted before your child begins camp.

**Medication:** If your child needs to take a scheduled medication during the day, contact the camp director to make arrangements.

**Medical Policy:** If your child has a fever, you will be contacted to pick him/her up. Anyone with a fever over 100 degrees will not be permitted to attend camp. Scrapes and abrasions will be cleansed with soap and water and covered with a band-aid. Ice will be applied if necessary. In the unlikely event of an emergency, parents/guardians will be notified immediately and the child will be taken to the nearest hospital.
